Welcome!

“I enjoyed the variety of topics, the overall great quality of teaching, the perfect organization of company visits and other activities”

Simon Schneider, Switzerland, ISSRB-2016

“Here is the answer that you want to know about Russian business environment. Company visits, culture experience, and cross-cultural human network are bonuses.”

Joochul Lee, Republic of Korea, ISSRB-2009

“If you want to get a good introduction to Russian business environment, be sure to attend!”

Francisco Quintero, Venezuela, ISSRB-2008

“Do it! You won't get a better chance to learn first hand about Russia and experience one of the most beautiful cities in Europe. I think that the ISSRB is definitely worth doing, not only because of the studies, but also because of the cultural and social exchange taking place during those 2 weeks. I learned a lot and was able to experience St. Petersburg in a different way than I would have done as an ordinary tourist.

Alexandra Kossowski, UK, ISSRB-2003

INTERNATIONAL SUMMER SCHOOL IN RUSSIAN BUSINESS

Designed for students, young professionals, and all those who might be interested in careers involving Russia. This program provides both **valuable practical experience** and **theoretical knowledge** through classroom instructions.

Participants are placed at International and Russian companies, where they learn first-hand about the **inner workings of business in Russia**.

Courses focus on **business environments, entrepreneurship, cross-cultural negotiations, multicultural teamwork, and marketing**.
